Features: The European Renaissance Modular office system allows you to design the function you need at a price much more affordable than custom built systems. Styling is a traditional style in hardwood solids, myrtle burl, clear maple, walnut & cherry veneers in a dark, rich brown finish with some physical distressing. Function includes entertainment, home office and a variety of bookcases to fit most needs.

Home office includes a wall desk, partners desk and a lateral. Hutches are available for these units to line up with bookcases, but also allows you to not use the hutches if you have windows to work around. Also a 22" wall storage cabinet is available with two file drawers in a size to help fill gaps. An entertainment console is available with ample room for components. The hutch for this unit has a movable back panel that the TV can be mounted on with lighted compartments at the top.

Bookcases include two 32" bookcases, one with glass doors, and a 52" bookcase. All feature lights that can be connected together in sections of 6 and controlled with touch switches behind the right pilaster. A corner end unit also features lights. And a corner wall mount allows you to turn corners. These units are 88" high, comfortably fitting into 8' ceilings, but tall enough to look at home with higher ceilings.

Material: Hardwood Solids, Myrtle Burl, Clear Maple, Walnut & Cherry Veneers
