Avery Wing Chair

Item #:5530-11AA

DESCRIPTION	<p>The Avery wing chair is a beautiful interpretation of a classic design. Nailhead trim plays a key role in the defining its lines, featuring a linear pattern on the arms, and charting a graceful curve up the wings. There are 775 individual nails in this benchmade piece, each applied by hand. Note the beautiful match of the fabrics on the inside back of the chair. There are three special application correlations available on this silhouette, identified with (AA), (BB), and (CC) suffixes. This chair is available in fabric or leather.</p>
