Care instruction for 100% polyester furniture.

In order to maintain the original appearance of your 100% polyester furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage fabrics. Do not place your upholstered furniture too close to windows, radiators, or vents, and be sure to use windows, radiators, or vents.
- Vacuum or wipe with a cloth regularly to remove dust.
- Clean 100% polyester furniture with professional cleanser.
