Disclaimer: Please note that the printed dimensions are approximate and could vary up to 2 inches since each style is handmade.
Finish: Standard Mahogany finish. Other finishes available at no additional cost.
Features: Pushback recline is standard
 Power Button available with upcharge
 Power button with battery pack available with upcharge
Padding: For quality tailoring and durability, the outsides are padded with strong bonded fibers.
Material: Leather
Trim: Standard Nailhead Trim #9 in French Natural Finish. Other decorative nailhead finishes available at no additional cost.
Frame The frame is engineered from the finest
Construction: multi-ply, 7/8 inch laminated hardwood components that are precision machined for an exact fit. Mortise and Tenon joints are reinforced with cross-banding to create frames with superior dimensional stability.
Seat Back: Semi-Attached. Filled with 100% virgin polyester fibers enclosed in a special ticking designed to provide pillow-soft comfort.

Seat: High Resilient -HR Foam- A high resilient polyurethane core cut to boxing size and wrapped in a layer of polyester fiber. The fiber-wrapped core is then topped with a channeled envelope generously filled with virgin polyester fibers encased in a down-proof muslin ticking providing a slow release of air for the occupant.

Seating Construction: Motion styles utilize a rigid bar spring unit that evenly distributes the weight load offering unparalleled seating comfort for our reclining chairs.
