

# Assembly Instructions

Please open the box where the item will be intended to use. Two or more people is required to assemble the table. Lay all items on a flat non abrasive surface to prevent scratches. All instructions must be followed in order . No power tools are to be used , all tools are provided for easy assembly.

HARDWARE LIST				PARTS LIST			
NO.	SKETCH	DESCRIPTIONS	Q'TY	NO.	DESCRIPTION	Q'TY	
A		BOLT Ø5/16"* 2-1/2"	8	C		Top	1
B		WRENCH Ø5/16"	1	D		Leg	4

## STEP:1

Step 1. Lay table top on a flat soft surface with the table top facing down, make sure no bolts or any sharp objects are underneath. Align table leg with the holes on each corner and bolt on the bolts. Place all bolts in without tightening all of them until all four legs are placed in . Once all are tightened carefully flip the table over with two or more people . We hope you enjoy this table !

## STEP:2
