

Complete your entertaining or living room space with this stunning statement piece. A chunky style TV bench paired with sleek, clean lines is beautifully finished in a natural wood grain with duotone cabinet doors on each side. With ample storage space for all your A/V equipment and accessories, the extra-wide design is perfect for most TVs up to 90". A solid construction with adjustable support legs, this TV bench is a one-of-kind.

- Distressed carbon grey laminate wood grain finish accented with Ravenwood Black duotone cabinet doors
- Chunky post design paired with clean lines becomes the center of attention in your space
- Large open center shelving area accommodates your A/V equipment
- Doors with premium cabinet hinges enclose large cupboard areas on each side for all your storage needs
- High quality black powder-coated aluminum accent door handles
- Adjustable center support legs for added support
- Keep wires and power cables organized with the cable management openings
- Accommodates TVs up to 90"
