

The Purist family combines architectural forms with sensual design lines for a sophisticated style. Exemplified through touches of modern elegance and minimalistic pieces, the Purist collection perfectly complements a contemporary bathroom style.

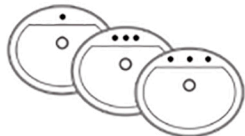

KOHLER

The Purist® Collection

Complete your bathroom upgrade with sleek accessories to match your sophisticated faucet.

Installation

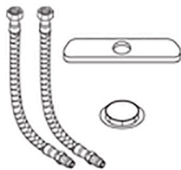

Purist faucets come in three installation types: Single-handle, widespread, and widespread wall-mount.

Durability

KOHLER has lasting finishes that are tarnish and corrosion resistant.

Parts Provided

Supply lines, escutcheon, and drain included on most. See spec sheet for details.
