### Semi-Flush

Inspired by the sea, this coastal collection features a simple design with authentic, nautical details. Tied in sailor's knots, woven ropes loop metal cleats before being suspended from maritime hooks. The contrast between the color and texture of the rope and metalwork creates visual interest. Created to be hung with the lamps facing up or down, the transitional fixtures are versatile. This look is perfect for seaside retreats, casual lofts, and rustic bungalows. With its candelabras and open form, this 3-Light semi-flush brightens a space with widespread ambient light.
