

GENERAL INFORMATION AND POLICY

ORDERING: Please state the quantity, part number and description of each item, preferably in that order, to avoid any delays and help speed up the processing of your order. Whenever possible, always order by standard carton packs. This will speed up the processing of your order as well as give you the benefit of the quantity pricing and packaging.

STOCK ITEMS: Illustrations are for identification purposes only and do not necessarily represent the product of a specific manufacturer.

SHIPMENTS: Please advise us as to how you prefer shipment. If no instructions are received we will use our best judgement. (See inside back cover for complete shipping policy.)

LED undercabinet lights are perfect for kitchens, display cases, book shelves, desks, work stations, trade show booths, or any other linear application. Fixtures can be linked for additional lighting up to 100 watts per string and can be plugged in or hardwired with the proper accessory. The swivel undercabinet light is excellent for directing light where it's needed. If you're looking for more light with less energy consumption, these LED lights are the perfect fit.
