Description:

A picture of modern design, the functional minimalism of this 68" ceiling fan is a product of advanced design. Five long and graceful blades made of carved wood move air with remarkable efficiency. A remote with batteries is included – and controls full range dimming and fan speed capabilities. This fan also has a reversible motor that can be accessed via a manual switch.

Specifications:

- Brushed Nickel (plated)
- · Steel construction
- 68" 5 Blade Fan
- · Oversized, textured die cast hanger ball reduces noise and wobble vibrations
- · Mounting hardware is included
- Canopy covers a standard 4" octagonal recessed outlet box
- · 80" of wire supplied
- · Driftwood blades, carved wood construction
- 17 degree blade pitch
- · Full Function Remote Included
- A 3/4" x 4-1/2" downrod is included. Longer accessory downrods can be ordered separately. Triple capacitor speed control
- · Airflow: 7587 CFM*
- · Energy consumtion: 90 watts (excluding lights)*
- · Airflow efficiency: 84 cfm/watt*
- · * Fan on a downrod

Performance:

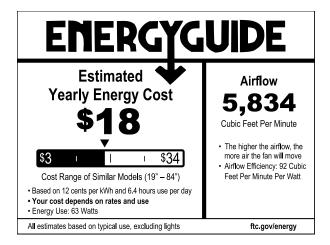

Input Voltage	120 V
Warranty	Limited Lifetime warranty

Dimming Notes:

This fan is designed to be compatible with many controls.

The following is a partial list of known compatible dimmer controls.

Dimming Controls

Dimming capabilities will vary depending on the dimmer control, load, and circuit installation. Always refer to dimmer manufacturer instructions or a controls specialist for specific requirements.

Dimmer control brand names where identified above are trade names or registered trademarks of each respective company.
