Cleaning and Maintenance of Chandelier Frame

The finish on our chandelier frames and fixture frames is protected by a durable coating of lacquer. To clean, use a clean, soft, dry cloth. Do not use any metal polishes, cleaners, abrasives or any substance which could remove the protective finish. Failure to follow these instructions automatically voids the guarantee.

Cleaning and Maintenance of Crystals

Wet a soft cotton fabric in clean warm water and wipe gently, then polish with a dry soft cotton fabric.

To Order Crystal Replacement Parts

Should you require replacement crystals or pins (the metal connectors attaching the crystals), contact the store where the product was purchased.

Warranty

The finish and frame of your new chandelier or fixture are warranted for a period of two(2)years from the date of purchase. Our company will at its option, repair or replace any frame that has a defect in the material or workmanship during the warranty period. All crystals are guaranteed for their original quality during the life of the chandelier. Breakage is not covered by this warranty.
