Time is precious, even more so when you've got hungry mouths to feed. Why wait for your oven to preheat and then slowly cook that highly anticipated meal when there's a quicker way to put food on the table for your whole family? Meet the Ninja® Air Fryer, a fast and easy way to cook your favorite foods. It ensures even circulation of hot air around your food for quick, crispy, and golden finishes, every time. The secret is the smart processor that delivers a wide temperature range while powering the fan that automatically adjusts speeds based on your cooking function, allowing you to cook and crisp your favorite foods, like 2 lbs. of French fries, using little to no oil in a family-sized 4-quart ceramic-coated basket. The wide temperature range gives you the ability to roast, bake, air fry, reheat, or dehydrate foods, making it your new go-to appliance for any meal or snack. With the Ninja® Air Fryer on your countertop, you can pull crispy meals out of thin air.
