

ELEVATE 54" RECTANGULAR PENDANT

DESCRIPTION

"Blank Pages" reminds us that each new day is a blank page. By fusing and slumping clear and white opaline glass and hand applying gold embellishments to detail the layering of the glass, this fixture comes to life in movement and design. Illuminated from a silver leaf canopy and suspended by adjustable cables. This American handmade rectangular fixture features 20 glass "Pages" and is ideal for high ceilings. Shown in a "swoop" design.
