Watts per Socket / Item: 60/420

Any way you slice it, our Chiffonade Large Pendant has an elegant fluidity in its lines that curl downward with a lovely swirl. Made of wrought iron, the exterior of this scone has been treated to an antique black finish. To heighten the gracefulness of the piece, we treated the interior to a contemporary gold finish, which brings a warm glow to the illumination that wafts from between the arcing bands of metal. We also offer the Chiffonade in a smaller pendant and in a wall scone.
