

WARRANTY

WHAT WARRANTY COMES WITH?

COVERS

Comfort Research, the Creators of , stands and sits behind all of our products purchased at our authorized retail partners. No registration is required: the external cover of every no matter what it is filled with (polystyrene beans, foam, or molded core), has a limited one-year warranty* against factory defects when the claim is accompanied by a receipt of purchase and product photos.

LINERS

Some products feature an internal liner in addition to the external cover. Internal liners included in products purchased from one of our authorized retail partners have a limited one-year warranty* against factory defects when the claim is accompanied by a receipt of purchase and product photos.

BEANS

All well-loved, bean-filled, bean bags go flat over time and will need to be re-filled. Our bean bags are filled with a scientifically determined amount of fluffy beans to provide a great sitting experience, because overly-filled or completely-filled bags are not comfy. Any bag or pool float filled with beans and purchased from one of our authorized retail partners should not go flat within 60 days of purchase; if it does, please reach out to us so we can assist: Comfort Research, Creators . You will need to provide a receipt of purchase for your photos of the entire product(s).

SHREDDED FOAM FILLING

Our patented shredded foam filling is designed to never go flat: Our products filled with shredded foam never need more filling and can be re-filled again and again. All shredded-foam filled products purchased from one of our authorized retail partners are covered under our limited one-year warranty* when the claim is accompanied by a receipt of purchase for your photos.

MOLDED CORE

Our molded core products are lightweight but durable, and have a limited one-year warranty* against factory defects when purchased from one of our authorized retail partners.
