

Residential Resilient WPC / SPC Waterproof Products Limited Warranty

Products

Shaw Industries, Inc. (Shaw) warrants the Shaw WPC / SPC floor products to be free from manufacturing defects for a specified length of time from the date of purchase as set forth below.

Replacement/Repairs

Shaw reserves the right to repair any floor and/or to use its own source to obtain an installer for replacement flooring. If Shaw repairs or replaces a floor as a result of a warranty claim, it is the customer's responsibility to be clear, at their own expense, any items placed over the affected areas subsequent to the original installation. In the event that Shaw repairs a floor, this warranty shall remain in effect with respect to such floor.

Coverage

This warranty covers manufacturing defects, delaminating, loss of original pattern and color due to fading or wear, when the flooring is subject to normal residential use, provided the flooring covered by this warranty is installed and maintained according to the instructions included in the sold package.

Limited Waterproof Warranty

Shaw warrants that for the stated warranty period from the date of original purchase, your Shaw product will not swell, cup, or crack due to:

- Normal cleaning practices (see Care and Maintenance document for additional information)
- Moisture due to everyday household spills (see Care and Maintenance document for additional information)
- Moisture from subfloor when exposed to such conditions.

All sources of subfloor moisture should be remedied prior to installation. This warranty covers topical moisture as long as the water does not flow over the edge of the surface (edge of the room, cut boards, etc.)

While moisture will not affect the product's integrity, it is possible that, when excessive moisture accumulates in buildings, subfloors, or on building materials, mold (and/or) mildew growth can occur (particularly if the moisture problem remains undiscovered or unaddressed).
