

# SCREW SIDE TABLE 600

Screw table is a simple, honest design, inspired by materials and processes of the industrial revolution. Its rotating top on a threaded steel pole allows for adjustable height, while being sturdy, durable, elegant and ideally suited for use both inside and outside.

<b>Year of Design</b>	2015
<b>Product Weight</b>	28.00kg
<b>Testing Certification</b>	BS EN 15372: 2016 Level 2
<b>Service Offer</b>	Collection

## BLACK BASE, WHITE MARBLE

<b>Code</b>	SCB04MT01W
<b>Components</b>	TOPT01W SCB04
<b>Top Colour</b>	White
<b>Top Material</b>	Marble
<b>Top Finish</b>	Polished
<b>Base Colour</b>	Black
<b>Base Material</b>	Cast Iron, Steel
<b>Base Finish</b>	Matt Powder Coated
