

Assembly Instructions

Parts List

Step 1

Chair will come already folded. Please carefully take off all the packing materials.

Step 2

Carefully and slowly pull the chair up in the direction marked, placing your hands on the seat and back area.

Step 3

Once Seat is fully pulled into upright position, place the wooden SAFETY PEG into the required holes.
IMPORTANT! KEEP SAFETY PEGS IN PLACE WHEN CHAIR IS IN USE.

Step 4

Chair can be folded for storage. Remove two pegs from front legs, fold chair closed, insert pegs inside of legs (under seat) to help hold chair in closed position.
