

Technical drawing of a three-arm chandelier. The drawing shows the chandelier from a top-down perspective. It features a central vertical stem with a decorative finial. Three arms extend from the central stem, each ending in a light fixture. The dimensions are as follows:

- Overall height: 12"
- Distance from the top of the central stem to the top of the light fixtures: 6-5/16"
- Distance from the top of the central stem to the top of the light fixtures (vertical distance): 1-3/4"
- Distance from the top of the central stem to the top of the light fixtures (horizontal distance): 4"
- Distance from the top of the central stem to the top of the light fixtures (diagonal distance): 2-7/8"
