ABOUT PRODUCT ASSEMBLY

Do not assemble the storage shed on severe cold or strong windy days.

We would advise 2 person to assist in the assembly of the storage shed to secure parts in place. Kids could not use it alone.

Level the ground surface before unpacking parts and beginning assembly.

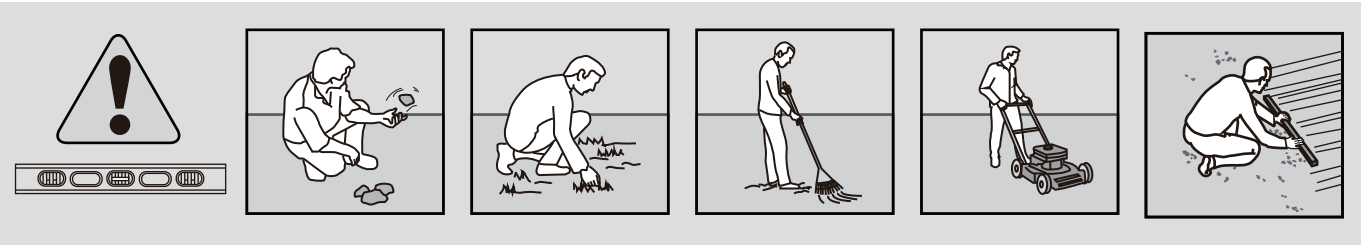

Please check your package according to the PARTS LIST in the instructions to ensure that there are no missing or damaged before you starting assembly, kindly contact us if you find any wrong.

Please read instructions thoroughly prior to assembly, assemble all the parts according to the directions in this instructions, do not skip and steps

Our company provides extra hardware for use as spare parts for customer convenience. Please save the spare parts.

We would kindly advise you to follow the instruction to install, wrong assembly methods can result in damage to the inside of the hole to create links between the panels loose or unable to assembled properly.

LEVEL THE GROUND SURFACE

Level the ground surface before unpacking parts and beginning assembly.

ABOUT PRODUCT MAINTENANCE

This storage shed should be far away from the open flame.

Do not use the storage shed in extreme weather conditions.

At regular check the storage shed to ensure that it's stable and assembly integrity has been maintained.

Please keep doors closed and locked outdoor when the storage shed is not in use long time to prevent wind damaged or damaged by animals or bad people.

Do not store hot items(recently used grills, blowtorches etc.),flammable or caustic chemicals in the storage shed.

Wash the storage shed with a mild soap and water if there is any stain on the storage shed. Do not use a stiff brush,bleach,ammonia or any other caustic cleaners, as these may damage the storage shed or could result in permanent staining of the plastic.This is not manufacturing defect and is not covered under warranty.

If the environment permits, install the storage shed in a cool place, as prolonged exposure to direct sunlight may deform the panel and accelerate aging.

SUGGESTIONS AND SOLUTIONS FOR PRODUCT COMMON ISSUES

Our company sell brand new storage shed and using original packaging. When you receive the goods, if you find that the product part was lost or damaged, please take real photos and contact us in time to feedback the problem you encountered, we will try our best to solve it ASAP.

If the storage shed are installed in open and windy area outside,can use 6*60 mm expansion bolts to fixed 4 corners of the storage shed floor on the ground.

For assistance with assembly, request replacement parts or anything else we can help you, please contact us.

RETURN POLICY

1.For return and exchange orders:
