Leeward Media Console

Item #:920-908

| | |
|-------------|---|
| DESCRIPTION | The 78-inch Leeward media console accommodates a full range of electronic components behind four sliding bypass doors which effectively conceal the entire interior of the piece. For those looking to showcase the furniture styling without sacrificing ready access to components, this silhouette offers an ideal design solution. On the interior there are a total of 6 adjustable shelves, two behind each compartment. The piece is available in the Sandstone or Sailcloth finish. |
| DIMENSIONS | 78W x 19D x 34H in. |
