

Assembly Instructions for Coffee Table

Before beginning assembly please take a few moments to read the instructions carefully, understanding each step. Likewise please also ensure that the hardware package contains the items as described here.

Tools Needed: Phillips Screw Driver

Parts List: (1) Table Top, (1) Shelf, (2) Legs

Hardware List: (20) Phillips Screws

Assembly Directions:

Step 1. Lay table top face down on a soft, non-marring surface.

Step 2. Place right leg assembly on table top and align with position marks.

Step 3. Tighten pre-started Phillips screws until secure.

Step 4. Repeat step 3 for left leg.

Step 5. Carefully set table onto a side position.

Step 6. Place shelf on top of leg cross supports.

Step 7. Tighten pre-started Phillips screws until secure.

Your new coffee table is now fully assembled. Enjoy!

PROUDLY MADE IN THE U.S.A.

- Please Note: If you purchased your coffee table “ready to finish” special care must be taken to properly apply a high grade final finish in a timely manner. Doing so will help protect your purchase from discoloration and damage caused by exposure to ultra-violet light. See use and care instructions for further information. Failure to adequately protect item by the applications of a final finish may void warranty.
