## Instruction manual Wireless Remote Control Outlet Outdoor with Countdown and Photocell 1+1

EM-OR700B  
30UL/MRF+EMW301TK

1. Remove the plastic battery tab from the battery compartment in the back of the remote control to activate the pre-installed battery.
2. Plug the receiver into a standard AC electrical wall socket. Plug the appliance into the receiver outlet.

3. Before using the outlet with remote control, please pair as follows:  
A. Plug in the outlet into a grounded outdoor wall socket. When the receiver indicator light begins flashing, long-press the ON or OFF button on the remote control. The pairing appears successful when the receivers indicator light stops flashing.  
B. Unpairing: When the remote control and outlet are connected, unplug the receiver from the grounded wall socket, then plug-in the receiver. The indicator light will begin flashing. Long-press the ON or OFF button to pair.

4. OFF mode on the dial will manually turn OFF device.  
ON mode on the dial will manually turn ON device.  
DUSK/DAWN mode: Integrated photocell sensor will automatically turn ON device at dusk and turn OFF device at dawn.  
COUNTDOWN DUSK/DAWN mode: Integrated photocell sensor will automatically turn ON device at dusk for selected 2HR/4HR/6HR/8HR and turn OFF device after countdown period has ended.

### Remote Battery Replacement:

If operation of the receiver units becomes erratic, it may be necessary to replace the battery in the hand-held remote unit. To do this, first remove the battery compartment cover. Press the tray release button on the back of the remote. Next, remove the depleted battery and discard according to local ordinances. Be sure the correctly install the new battery. Replace battery compartment cover and test by using it to control the Indoor Remote Outlets.

**Important:** Install only new batteries of the same type in your product. Failure to insert batteries in the correct polarity, as indicated in the battery compartment, may shorten the life of the batteries or cause batteries to leak. Do not mix old and new batteries. Do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium) or (Nickel Metal Hydride) batteries. Danger of explosion if battery is incorrectly replaced.

Batteries should be recycled or disposed of as per state and local guidelines.

**WARNING:** This product contains a button battery. If swallowed, it could cause severe injury or death in just two hours. Seek medical attention immediately.
