

Wireline, Pink - Specification Sheet
by Formafantasma, 2021

Mounting	Ceiling Pendant
Lamp (Bulb) Description	LED module 45W 3100lm 2700K CRI 90
Environment	Indoor - Dry Location
Finish	Pink
Technical and Product Description	<p>Wireline is a suspension light which gives off a homogeneous, diffused light thanks to an extrusion of a clear borosilicate glass bar, which contains and diffuses the LED light source. Two metal connectors fix the light bar to the belt. The lamp is completed by two ceiling roses, one of which is placed in correspondence with the light point and contains the power supply and the dimmer. The cable, available in pink and forest green, is made of rubber.</p> <p>The following are the only compatible dimmers (not included)</p> <p>1. 0-10V Slide dimmer</p> <p>CLW-DIMFLVEX-P-A-S from Crestron.</p> <p>2. 0-10V interface and Module</p> <p>A. Lutron</p> <ul style="list-style-type: none">- PowPak dimming module with 0-10V control- Vive PowPak dimming module with 0-10V control- PowPak wireless fixture control (FCJ-010)- TVM module <p>B.
