

## Installation Steps:

1. Insert the bulb into the lamp holder
2. screw the crystal branches on the ball
3. Cut the cable ties that tie the crystal branches (no scissors)
4. Fix the hanging board on the junction box with the screws on the accessory bag
5. Connect the main wire on the ceiling plate to the wire reserved on the ceiling with a terminal cap
6. Put the whole lamp on the hanging plate (make the side hole of the ceiling plate align with the hole position of the hanging plate)
7. Align the screws with the hanging plate and twist them in.
