This warranty does not apply to "as is" or previously owned products.

The manufacturer warrants its products to be free from defects in materials and workmanship (normal wear and tear, fading and stretching excepted), for one year from the date of purchase, except as provided below under the limited warranty. The exceptions or exclusions to this warranty are as follows:

1. Any warranty claim that is submitted after the limited warranty period, or without proper proof of purchase will not include the cost of parts, labor, or delivery.

Be prepared to provide your name, address, daytime phone number, the model and purchase order number of the product, date of purchase, and the website where it was purchased. The manufacturer requires that the original sales receipt be submitted with all requests to confirm that you are the Original Purchaser according to our written warranty.

This warranty gives you specific rights, and you may also have other rights, which vary from state to state (or country to country).
