Product Overview

7-SPEED HAND MIXER

Power through heavy ingredients with ease using this 7-Speed Hand Mixer with Stainless Steel Turbo Beater™ II Accessories. The Pro Whisk attachment is also included and great for whipping egg whites to fluffy peaks or whipping cream to top your favorite dessert.

7 Speeds

Combine ingredients at speed one for slowly stirring in chunky ingredients, speed four for mashing potatoes, speed seven for beating egg whites and whipping meringue.

Stainless Steel Turbo Beater™ II Accessories

The Stainless Steel Turbo Beater™ II Accessories are ideal for mixing heavy ingredients. Dishwasher safe.

Lockable Swivel Cord

Lock the cord into either the left or right side of the mixer so you can approach ingredients from any angle. The round cord is easy to wipe clean.

Beater Ejector Button

Easily and quickly remove any accessory from the hand mixer with the single-handed press of a button.

Soft Start™ Feature

Brings the beaters up to the selected speed gradually to help prevent ingredients from splattering.

MODEL KHM7210 INCLUDES
