 3500 K LED

Driver

120VAC input voltage
 ELV dimming only

Calx sconce also available.

*Available in 3000K, 4000K and other color temperatures upon request

The Calx is an example of modern design where the methods and the materials themselves are integral to its very conception, aligning form and function, which creates a synergy that is evident. The fixture ultimately forms a square aperture but enjoys a beautifully simple faceted structure.

Nick Sheridan,
 Designer
